

# Mandeville High School

## Spring Testing Schedule

This year's LEAP testing will begin on April 29<sup>th</sup> and run through May 13<sup>th</sup>. To those new to high school testing, LEAP is an online test given at the end of the following courses English I and English II, Algebra I and Geometry, and US History and Biology. Not only does the LEAP test count as the student's exam grade in these courses, a passing score must be obtained in each subject area for students to graduate. Due to the amount of students testing, computer space is very limited so attendance on testing day is extremely important. For your convenience when scheduling appointments, please see this year's testing schedule below.

### **APRIL 29<sup>th</sup> – Wednesday – English II**

Mrs. Bordelon (all periods)
