

Hello Parents and Guardians

This is Bruce Bundy, Principal of Mandeville High School

This robocall is specifically about grab and go meals for students who need meals and are not attending school on their virtual learning days.

The information included in this robocall will also be posted on the school website.

- The state required grab and go meal consent form must be completed and returned PRIOR to meal pick-up
- The required form will be sent home in the first day packet, however the pdf form is available now on the school website. Additionally the form may also be completed electronically at: <http://stpsb.org/childnutrition/grab&go.htm>.
- Drive-thru pick up of Grab & Go meals will be available for students enrolled in the STPPS Virtual School and students in the hybrid model on days they are not on campus in person and are participating in distance learning at home.
- Currently- Meals will be charged according to student's full price, reduced price, or free meal status on file. The application for free or reduced meals may be completed online at <http://www.stpsb.org/childnutrition/freeandreducedmenu.htm>.
- To pick up meals at school the student's identification number and name must be provided at the time of pick-up.
- If student is not present, you MUST provide a copy of this form every day at meal pick-up.
- Drive-thru grab & go meals will be available at Mandeville High school daily beginning Tuesday, September 8th from 10:00 – 10:30. The grab & go carline will be in the regular school carline in the front of the school.
- Please remember this service is only for students who are at home participating in virtual learning.

If you have questions please email me at Bruce.Bundy@stpsb.org.

Thanks for your support cooperation.
