TIMER SCHEDULE TO FOLLOW

Each swimmer will be responsible for providing a timer for one lane for 2 home swim meets. We will also need timers for the Northlake Regional (District Championship) in Slidell. The timer may be a family member or friend at school who needs service hours. Mrs. Chausse and Ms. Boudreaux are going to make an announcement at the first NHS, Tri Theta, and Mu Alpha Theta meetings to generate a list of people interested in timing for the meets. Last year, the same people seemed to always be timing meets and this year it will be every swimmer's responsibility.
