2019-2020

MHS Summer Reading for

Honors, AP, and Dual Enrollment Classes Only

Students who have scheduled an Honors, AP, or Dual Enrollment English class at Mandeville High School for the 2019-2020 year must read the books listed for the selected course over the summer. Students should be prepared for testing and other related assignments during the first few weeks of school. Students will need the book(s) at the start of school for use in class. **No student will be excused from this assignment.** Students should take notes and mark pages in the book while reading. This will make completing assignments easier when school begins. Students should look for character development, important plot details, themes, and other elements of importance. **Please go to specified teacher's webpages for further instruction when applicable.**
